Rotary

Club of Darwin

The Rotary Club of Darwin prides itself on our contribution to local, national and international projects and sponsorships.

In addition, we sponsor several Northern Territory awards and functions including the Hugh Bradley Award for Legal Studies, the Ian MacGregor English Award, Indigenous Health Scholarships, and various other school study awards.

We also raise funds for our Rotary Youth Sports Foundation which contributes to assisting children who aspire to reach higher levels of endeavour with their chosen sport.

In 2024-25, we continue with our philanthropic efforts in these important areas and will explore how we might develop new projects, particularly for supporting youth and education, whilst continuing to fund raise for our regular commitments. In this space, we operate the famous Chocolate Wheel at the Royal Darwin Show each year as our main fund raiser. 'Bali Vibe' brings the Indonesian spirit to Darwin, this event is run in cooperation with the Darwin Surf Life Saving Club and is one of those rare events that is run in the Wet Season.

We continue to develop local 'hands on' community projects that emphasise the heart and the mind and follow Rotary's seven areas of focus. During the next few years, our primary focus will be on supporting our local community including the community of Belyuen.

It is important to note that we remain a men-only club, but we warmly welcome all Rotarians and visitors to our meetings. We are active agents for the promotion of Men's well-being, especially Men's Mental Health and Prostate Cancer, through fundraising, education and providing support to sufferers. There are other mixed Rotary clubs in the Darwin area including Darwin North, Darwin South, Darwin Sunrise and Litchfield/ Palmerston. Details of how to contact these clubs for a visit or membership can be found on our website below or on our Facebook page.

Our club believes in having a good time. We are famous for wearing our loud Hawaiian shirts, fishing trips and boisterous meetings. So why not come along and enjoy our hospitality on Thursday evenings at 6pm at the Novotel Atrium hotel on the Esplanade. Please note that we also enjoy many away meetings, so ensure you check with us if you are intending to visit so as to ascertain where we will be.

This year the Rotary Club of Darwin has elected to support the CDU Art Facility in its endeavour to support regional art scholarships for students attending CDU in 2026. Rotary recognizes the social pathway that education provides for those less fortunate than ourselves.

Putting SteAm into Stem

The Rotary Club of Darwin Art Show 2025

Art collectors and community supporters are invited to attend an inspiring exhibition and charity auction at Charles Darwin University's Danala Campus, where a curated collection of artworks from acclaimed local, national, and international artists will be available for purchase.

Hosted by the Rotary Club of Darwin and supported by CDU, this three-day public exhibition aims to raise funds for emerging CDU Art Students, with artworks available for pre-sale and exclusive auction bidding.

- Public Exhibition (Free Entry)
- Charles Darwin University, Danala Campus – 54 Cavenagh Street, Darwin
- Wednesday 2 July: 9am – 5pm
- Thursday 3 July: 9am – 7pm
- Friday 4 July: 9am – 5pm
- Charity Art Auction – Hybrid (Online & In-Person)
- Friday 4 July | From 6pm
- Live-streamed online with in-person bidding
- Pre-registration now open

More than 80 artworks will be available for pre-sale throughout the exhibition, with 25 exclusive pieces reserved for the auction. Buyers will have the opportunity to acquire original pieces from respected artists, while helping fund CDU Art Students' education, supplies, and creative development.

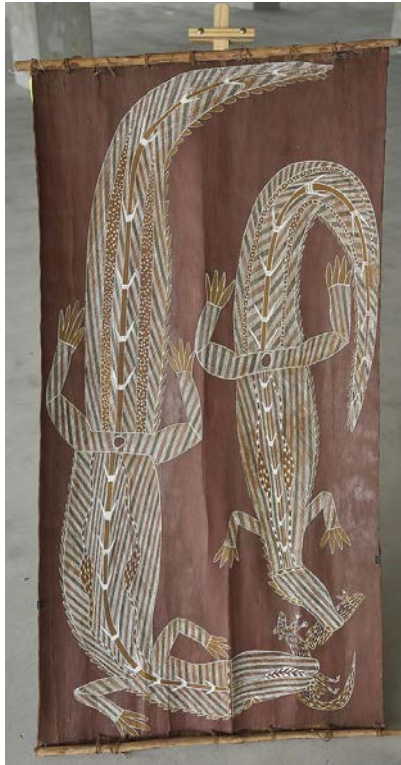

All net funds will be held by a CDU account to support Regional Art Scholarships in 2026. All art works that contribute more than A\$3000.00 to the CDU fund will attract an option to name the scholarship as per their request.

“This event offers collectors a unique opportunity to acquire high-calibre art and contribute meaningfully to the development of emerging creatives in our community,”

said Peter Hopton Art Show Organiser and spokesperson for the Rotary Club of Darwin.
